High Resolution Pocket Projector
Provides Ultimate Mobility and Convenience

PLED-W200

The PLED-W200 pocket projector offers ultimate mobility. Weighing only 420g, the PLED-W200 is ultra slim and compact, easily carried in a briefcase for convenient transportation between meetings and on business trips. Its energy-saving LED lamp with 250 ANSI lumens lasts 30,000 hours while producing brilliant color. The short throw lens can project a 40” screen from a 1 meter distance with native 1280 x 800 WXGA resolution and a 16 : 10 aspect ratio. With a built-in 32GB SD / SDHC card reader, Microsoft Office / PDF viewer and dual integrated 2W speakers, display Word, Excel, PowerPoint, PDF and other multimedia files without needing a PC.

1 Ultra compact and lightweight

Get rid of your bulky, power-hungry projectors! Measuring 130 x 126 x 32 mm and weighing only 420g, the PLED-W200 is ultrathin and easily carried in a briefcase for convenient transportation between meetings and on business trips.

2 Long life, more green

The PLED-W200 uses an energy-efficient LED lamp with a 30,000-hour lifespan – a green solution that saves you money and helps save the planet. It provides 250 lumens of brightness for sharp images with high color saturation.

3 BrilliantColor™ technology

Innovative BrilliantColor™ technology delivers stunning all-digital clarity with lifelike color, sharp graphics and outstanding video. Using a sophisticated LED RGB light source, the projector achieves wide color gamut for a wide range of colors and incredibly vivid color reproduction.

4 Big screens in small spaces

The PLED-W200 can project a 40” screen from a distance of only 1 meter. With the native 1280 x 800 WXGA resolution and 16 : 10 aspect ratio, take advantage of the wide screen area to create impactful presentations at the office or in your living room. It’s the perfect solution for small meeting rooms and home theaters.

5 Ready to go

No more lugging your laptop around. No more messy cabling. With the built-in 32GB SD / SDHC card reader and Microsoft Office / PDF viewer, the projector can display Word, Excel, PowerPoint, PDF and other multimedia files directly. It saves you valuable time and creates a smooth presentation experience.

Special Feature

Short throw for big screen

PLED projector series adopts high quality short throw and optical lens design, which is able to project 40'' widescreen image within 1 meter distance. You can easily share your presentation or high quality images in small spaces, and no need to worry about the images interrupted by long distance projection.
